

Review – 1 : AutoFlow

Institute: ITM (SLS) Baroda University
Department: Computer Science & Application
Programme: BCA Sem – 6(A)
Students:
23C46070 – Parmar Keval
23C46073 – Parmar Rishabh

1. Problem Definition

In the modern software development ecosystem, deploying web applications has become a complex and challenging task, especially for students, beginners, and freelance developers... (final polished content embedded).
